Fifty-Sixth Season New Piasa Chautauqua

The 1941 season at Chautauqua will open Saturday, June 14th, and continue to Sunday, September 14th. Fourteen weeks of enjoyable living at this lovely summer resort within easy reach of St. Louis and vicinity awaits vacationists looking for rest, recreation and entertainment so arranged to suit all ages.

A program beginning June 14th is made up of a most enjoyable series of entertainments, with new and attractive features arranged for the enjoyment of all. See page 16 for program.

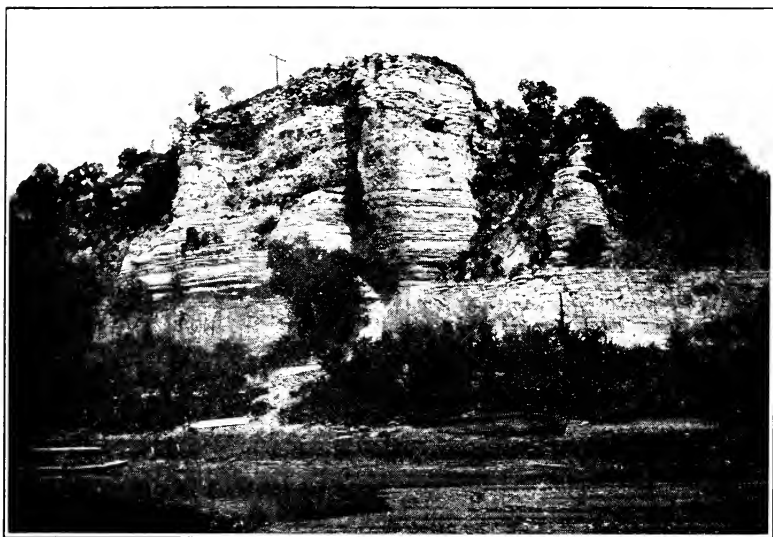

Piasa Chautauqua in the Summer Assembly season stands primarily for the simplicity and naturalness of Christian living. It is built on the faith that unaffected, straightforward religion makes a life neither sanctimonious nor fanatical, but simple, normal, vital, free and glad.

Piasa Chautauqua in its independent environment presents a concrete picture of social Christianity, applied not in any Utopian scheme, but in the everyday relations of neighbors dwelling wholesomely together on principles of Christian good will.

In an atmosphere as unconstrained as the atmosphere of a good home, Piasa Chautauqua rejoices in all the spontaneous joys of family and neighborhood life, enlarging the family sympathies to include the neighborhood and intensifying the neighborhood sense with much of common interest. Not as an addition to, but as an expression of the simple life it wishes to cultivate.

Piasa Chautauqua gives large place for recreation, amusements—downright fun. From the initial of religion Piasa Chautauqua reaches out for everything that is hearty, hale, whole and unpretentious, and finds itself still within the pale of religion interpreted by its own large ideals.

Whoever loves this comprehensive wholeness of life and despises the tacked-on conventionalities of artificial social standards—whoever prefers freedom and frankness—will be welcome at Piasa Chautauqua, and having come, will be glad for Piasa Chautauqua.

CHILDREN'S PLAYGROUND

Supervised Play!

The Play School will hold its regular classes, morning and afternoons, Monday to Friday during the summer season.

Recreational hours at play as well as instructive work, conducted on lines of modern child welfare and progressive educational study will be under the leadership of Miss Ethel Lee Niergarth, assisted by Miss Eugenie Hilmer.

For the small children there is a completely equipped Kindergarten in the Guild room at the Chapel.

The outside playground used by all the children has a wading pool, swings, merry-go-round, slide, sandbox and four trapeze.

All children of Chautauqua are invited to attend these classes without expense and take part in the summer activities five days of each week during the program season.

Athletics

With the opening of the athletic field and Recreation Arena near the River front, athletics will take on new life in Chautauqua.

A standarized baseball diamond has been made, also badminton, basketball, tennis, corkball, quoits and archery in the park. This field, together with the facilities for tennis, roque, horseshoes, badminton, basketball, track, field events and other activities will make the 1941 season long to be remembered.

Special Events

One of the special activities of the season are the weekly Roque Elimination Contests. The winners of these games are eligible to play for the Roque Cup, at the finish of the season. Mr. T. W. Gregory is chairman of the Roque Contest Committee.

For information regarding the Tennis, Horseshoe, Badminton and Shuffleboard Tournaments, see Mr. Ed Merriwether or sign at office for above events.

The Athletic Committee, headed by Ed Merriwether and Fred Bernet, has arranged an interesting program of events and your co-operation is requested to make the 1941 summer a success.

Mrs. Clare Ditto, of Wood River, Ill., will be in charge of all music. She will direct the community singing and choral work. All music for the church services will be under her direction. The five book reviews held during the season will also be under her supervision.

The Girls' Club

The Chautauqua Girls' Club was organized August 2nd, 1933, under the sponsorship of Mrs. Charles M. Horner of East St. Louis.

Girls eligible are those who spend the full season at Chautauqua.

The object of the Club is to bring the Girls and Young Women of Chautauqua together in a social way, and to work for the good of Chautauqua as opportunity affords. Their motto is: "Friendliness."

Meetings are held every Sunday night at the Springs Hotel during July and August at 7:00 P.M.

The Officers for 1941 are:

President.....	Mrs. Kenneth Jacoby, Woodriver, Ill.
Vice-President.....	Miss Eugenie Hilmer, St. Louis, Mo.

The Chautauqua Men's Club

This organization is one of service and it is interested in having as its members "Every Man In Chautauqua."

The Men's Club has been the guiding spirit of our summer colony. The Wick-i-up on the River Front is a popular gift of the club. There you may enjoy a marshmallow roast, weiner roast, steak fry or community sing; the Yacht Club was formed in 1939 by the Men's Club and is becoming more popular each year.

This summer an Archery Range and equipment at the south end of the athletic field is yours to enjoy. Contests and evening games will make this an enjoyable sport.

A Mid-Year Banquet, held in St. Louis, is a feature gaining favor with the men. Here we talk over old times and new hopes, and plan for a fuller and happier Chautauqua.

Chautauqua's Natural Beauty

From the early beginning of Chautauqua as a Summer resort, the natural beauty of its majestic rock bluffs, the wooded hills banking a most picturesque valley, leave a lasting impression on vacationists year after year.

Preserving this natural beauty has been uppermost in the minds of the management, notwithstanding the loss of several beautiful trees from storms and other causes natural to native forests. Generous replacements on the more modern streets of the resort, and the building of flower gardens and landscaping throughout the Valley has done much to make Chautauqua more beautiful.

To maintain their desire to keep Chautauqua as one of nature's beauty spots, the Association officials have decided to offer a special inducement to cottage owners and club organizations to plant additional trees, shrubs and flowers on their property for which suitable awards will be made on the basis of enhancement and beauty to the Valley resort. Porch or window boxes, flower beds and lawns will also be judged for awards in the contest to be conducted throughout the summer season until the second week in August when prizes will be given.

Further particulars will be available at the Administration building after June 15th.

W. J. Niergarth, Chairman.

 CROSSING FINISH LINE IN REGATTA 1941

—Staff Photo

Sixty boats started in the Chautauqua Yacht Club's third annual sailing regatta yesterday on Alton Lake near Chautauqua, Ill. The first five to complete the triangular course are shown here crossing the finish line. The boat of J. E. Moser of St. Louis, entered in the Comet class, is in the lead.

St. Louisans Win in Alton Regatta

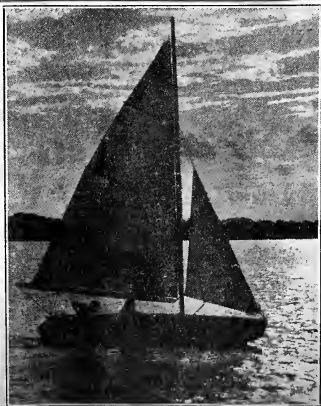

Skipper from St. Louis and its suburbs dominated the winners in the third annual sailing regatta of the Chautauqua Yacht Club, held yesterday at Chautauqua, Ill., on the lake above the Alton Dam. About 60 boats started, and 1000 spectators were present.

Winning skippers in the various classes were: Comet class, J. E. Moser of St. Louis; C class, Leck and Martin of Webster Groves; X class, Paul Strippgen of Webster Groves; Snipe class, Bill Hoppe of Alton; Lightning class, George Chaalain of Kirkwood, and unlimited class, John Locke of University City. Locke was sailing a Math-type entry.

The race was held over a triangular course between Chautauqua and the mouth of the Illinois River, and was aided materially by a brisk upstream breeze. Best time was made by Martin's craft, which finished in 1 hour and 4 minutes, three seconds faster than Moser's. Many visitors came by water, and the river was liberally sprinkled with power craft.

The Niobe, winner in the Snipe Class. Aboard are Bill Hoppe (left) and Al Bernard of Alton.

The X-61, piloted by Paul Strippgen and Todd Martin, winner in the X Class. It is a Sea Scout boat.
